# Mission Statement

The mission of the VC CIT program is to ***develop partnerships*** with mental health consumers and their family members, and other agencies and organizations.

CIT officers will respond to individuals who are in crisis as a result of a mental health disorder and shall ***assess and assist*** those individuals in the ***most effective and compassionate manner*** possible.

## Law Enforcement

- De-escalate crisis situations.
- Reduce the necessity for use-of-force.
- Reduce the use of jail.
- Decrease recidivism.
- Facilitate the empowerment of mentally ill individuals by increasing their lawful self-reliance and health-enhancing behaviors.

# Calls for Service

- Who is the best person to respond in a mental health crisis?
  - **Firefighter?**
  - **Paramedic?**
  - **Mental Health worker (therapist, doctor, etc.)?**
  - **Police Officer?**
- The reality is that the Police Officer is available 24/7, arrives on scene first, and can handle someone who is aggressively out of control.

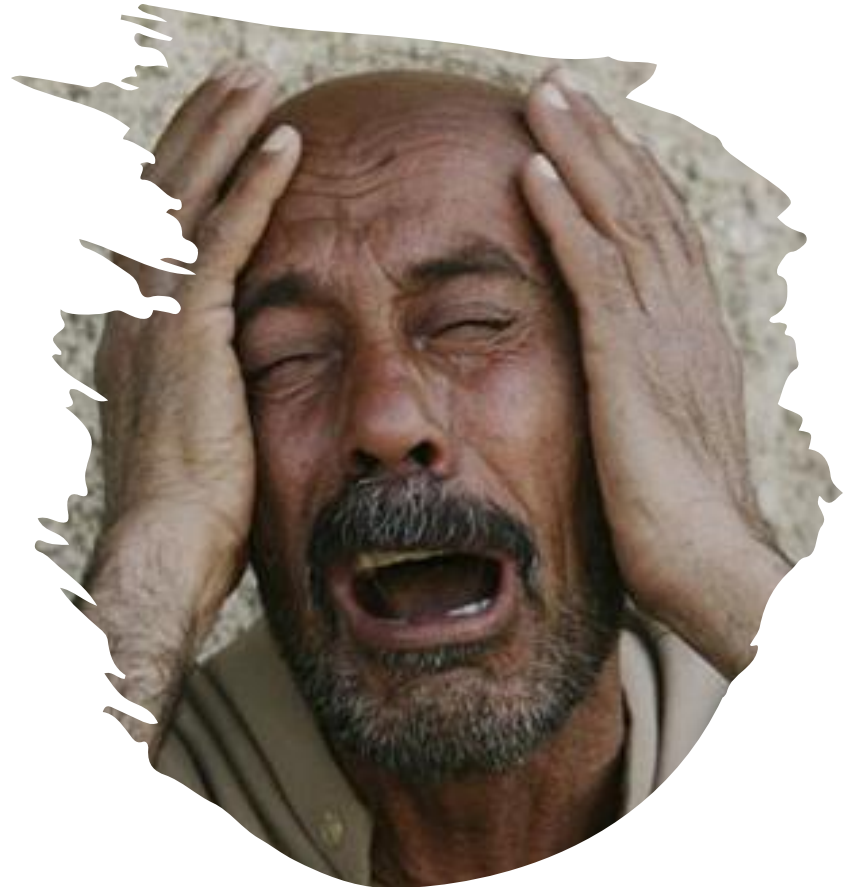

# Why Train Law Enforcement?

- 1. It's the right thing to do**
- 2. First responders can assess and stabilize**
- 3. De-mystify mental illness and reduce anxiety**
- 4. Teach them to connect people to resources**
- 5. Limited Crisis Team availability**

# What are the most common crisis related behaviors during Law Enforcement contacts?

- **Suicidal Talk (41%)**
- Severe, Depressed Mood, Crying
- Anxiety
- Bizarre Behavior
- Agitation & Pacing
- Absurd & Illogical Thinking/Speech

# *Tell us more about the person in crisis*

- 15% are Homeless
- 10% of people in crisis have a weapon
  - Majority are Sharp/Edged Weapons
    - (knife, razor, scissors)

# Officer Involved Shootings

- “People with **untreated** mental illnesses are **16x** more likely to be killed during a police encounter.”
  - *Treatment Advocacy Center, Dec. 2015*
- More than **half** of the OIS fatalities occurred in agencies that didn't provide officers de-escalation training.
  - *Washington Post, Dec. 2015*

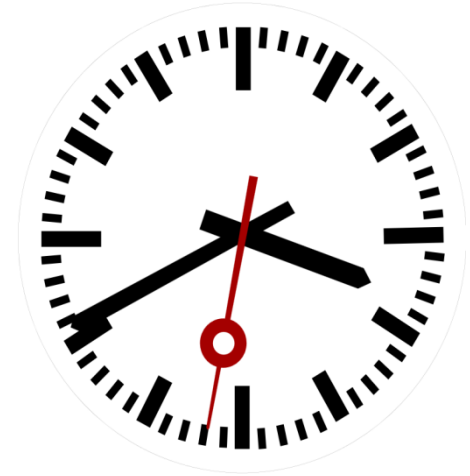

# De-escalation Defined

(CA-POST 2019)

De-escalation is the process of using strategies and techniques intended to decrease the intensity of a situation.

# Crisis Intervention Techniques

- Time + Space = Options
- T.A.C.T.
- Human Behavior
  - Maslow's Theory
  - Fight, Flight, Freeze or Appease
- Reach for small concrete goals
  - Use win-win strategies

■ Tx to HLOC ■ Arrest ■ Contact Only

*When does an officer consider making an arrest of someone that has mental illness?*

- Does the officer know the mental health history?
- Infraction, Misdemeanor, Felony?
- Serious crimes that result in injuries
- Victim's desire for prosecution
- Use of a weapon
- Likelihood that behavior will repeat in the immediate future if released
- Availability of mental health services

# Officers' Actions

- **88%** of the contacts result in verbalization only versus use-of-force
  - CIT Officers are less likely to use force, and...
    - **Approx. 3x more likely** to have “contact only”
    - **Approx. 2x less likely** to use jail

# Other Training

---

- Basic Academy Training
  - Person's w/ Disabilities
  - Use of Force/De-escalation
  - Officer Involved Shootings
- 8-hour CIT Update/Refresher
- VOICE Program
- 4-hour Autism Training
- Briefing Trainings

# What is Tactical Disengagement?

Disengagement is the tactical decision to;

- Leave
- Delay Contact
- Delay Custody
- Plan for Re-engagement at a Future Time

This tactic should be considered when an officer reasonably believes continued contact may result in an unreasonable risk to the person in crisis, the public and/or members of this agency.

➤ Avoid creating special relationships

Funding

- **The program is funded through a Memorandum of Agreement (MOA) between the Sheriff's Office and 5 Police Dept.'s**
  - **Financial responsibility formula**
    - **Every MOA partner provides a percentage of the funding based upon the population of its jurisdiction**
- **Grant funding has been utilized to help expand and sustain the program**

Dear Colleagues and Interested Parties,

The California Health and Human Services Agency (CalHHS), in collaboration with our partners at the Department of Health Care Services (DHCS) and the Judicial Council of California (JCC), will be sharing a webinar with general information and important updates on the implementation of the Community Assistance, Recovery & Empowerment (CARE) Act. We will post the recorded webinar on the [CARE Act website](#) and e-mail an announcement on **December 19th**.

The webinar will cover:

- An overview of the CARE Act, based on the enacted law SB 1338
- Discussion of Frequently Asked Questions about CARE
- Updates on implementation activities
- Information about upcoming CARE implementation activities

We look forward to sharing the webinar with you on the 19th.

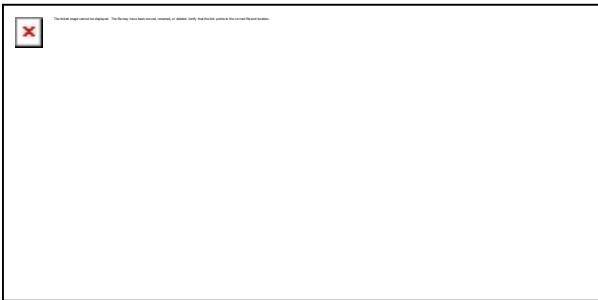

Additionally, CalHHS will establish a CARE Act Working Group in early 2023 and will continue its ongoing engagement with representatives from a wide variety of networks, including peers, disability rights organizations, families, racial equity advocates, housing and homelessness stakeholders, behavioral health providers, associations, and more. Interested parties may e-mail [CAREAct@chhs.ca.gov](mailto:CAREAct@chhs.ca.gov) to be included on the CARE listserv to receive updates and information on future stakeholder events.

Thank you,

Estimados colegas y partes interesadas,

La Agencia de Salud y Servicios Humanos de California ( CalHHS), en colaboración con nuestros socios en el Departamento de Servicios de Atención Médica (DHCS) y el Consejo Judicial de California (JCC), compartirá un seminario web con información general y actualizaciones importantes sobre la implementación de la Ley de Asistencia Comunitaria, Recuperación y Empoderamiento (CARE). Publicaremos el seminario web grabado en el sitio web de la [Ley CARE](#) y envíe un anuncio por correo electrónico el **19 de diciembre**.

El seminario web cubrirá:

- Una visión general de la Ley CARE, basada en la ley promulgada SB 1338
- Discusión de preguntas frecuentes sobre CARE
- Información actualizada sobre las actividades de aplicación
- Información sobre las próximas actividades de implementación de CARE

Esperamos compartir el seminario web con usted el día 19.

Además, CalHHS establecerá un Grupo de Trabajo de la Ley CARE a principios de 2023 y continuará su compromiso continuo con representantes de una amplia variedad de redes, incluidos pares, organizaciones de derechos de personas con discapacidades, familias, defensores de la equidad racial, partes interesadas en vivienda y personas sin hogar, proveedores de salud conductual, asociaciones y más.

Las partes interesadas pueden enviar un correo electrónico [a CAREAct@chhs.ca.gov](mailto:CAREAct@chhs.ca.gov) para ser incluidas en el servidor de listas de CARE para recibir actualizaciones e información sobre futuros eventos de partes interesadas.

Gracias,

Dear stakeholders and interested parties,

The CARE Act requires the California Judicial Council to develop a petition form and any other forms necessary for the court process, as well as rules of court to implement the Act's procedural provisions.

This e-mail is to inform you that the Judicial Council has posted an invitation to comment on the draft CARE Act Rules and Forms. The comment period runs from December 14, 2022 until January 20, 2023. The Rules and Forms materials for comment and the instructions can be found on the [Invitations to Comment page](#) under the "Probate and Mental Health" Topic.

There are 11 rules and 11 forms for review, including "Information for Petitioners—About the CARE Act (form CARE-050-INFO)", "Information for Respondents—About the CARE Act (form CARE-060-INFO)", and "Petition to Commence CARE Act Proceedings (form CARE-100)", among others.

Best,

**Asunto:** Oportunidad de formular observaciones sobre el proyecto de normas y formularios de la Ley CARE

Estimados grupos de interés y partes interesadas,

La Ley CARE requiere que el Consejo Judicial de California desarrolle un formulario de petición y cualquier otro formulario necesario para el proceso judicial, así como reglas del tribunal para implementar las disposiciones procesales de la Ley.

Este correo electrónico es para informarle que el Consejo Judicial ha publicado una invitación para comentar sobre el borrador de las Reglas y Formularios de la Ley CARE. El período de comentarios se extiende desde el 14 de diciembre de 2022 hasta el 20 de enero de 2023. Los materiales de Reglas y Formularios para

comentarios e instrucciones se pueden encontrar en la [página](#) Invitaciones para comentarios bajo el tema "Sucesiones y salud mental".

Hay 11 reglas y 11 formularios para revisión, incluyendo "Información para peticionarios—Acerca de la Ley CARE (formulario CARE-050-INFO)", "Información para demandados—Acerca de la Ley CARE (formulario CARE-060-INFO)" y "Petición para iniciar procedimientos de la Ley CARE (formulario CARE-100)", entre otros.

**Subject:** Opportunity to Comment on Draft CARE Act Rules and Forms

Dear stakeholders and interested parties,

The CARE Act requires the California Judicial Council to develop a petition form and any other forms necessary for the court process, as well as rules of court to implement the Act's procedural provisions.

This e-mail is to inform you that the Judicial Council has posted an invitation to comment on the draft CARE Act Rules and Forms. The comment period runs from December 14, 2022 until January 27, 2023. The Rules and Forms materials for comment and the instructions can be found on the [Invitations to Comment page](#) under the "Probate and Mental Health" Topic.

There are 11 rules and 11 forms for review, including "Information for Petitioners—About the CARE Act (form CARE-050-INFO)", "Information for Respondents—About the CARE Act (form CARE-060-INFO)", and "Petition to Commence CARE Act Proceedings (form CARE-100)", among others.

Best,
