

Ventura County Behavioral Health
Board Letter Summary of Contracts for October 2021

Board Date	Contractor	Amount	Term	Description
10/19/2021	BH-VC OPCO SP, LLC DBA Jackson House Santa Paula	\$611,600	November 1, 2021 through June 30, 2022	<p>BH-VC OPCO SP, LLC DBA Jackson House Santa Paula Agreement (Jackson House). Jackson House is the second 24/7 Short-Term Crisis Residential Recovery Treatment Program (CRT) facility of its kind within Ventura County to provide a short-term, voluntary, and licensed social rehabilitation program. Jackson House is located in the City of Santa Paula and provides services for up to sixteen (16) adults who are experiencing increased psychiatric symptoms or a behavioral health crisis. VCBH reimburses costs incurred for clients, ages 18 years and older, who are referred by Ventura County Behavioral Health. The CRT facility services will be used by clients to avoid acute hospitalization or to assist clients in stepping down from an acute hospital stay. Treatment services include assessment, community functioning evaluation, mental health counseling (including individual and group therapy and peer support) treatment for co-occurring substance abuse disorders, Wellness and Recovery based group interventions, case management, medication services, and successful linkages to community support services with the goal of minimizing the risk of hospitalization or return to routine crisis-based care. Most clients will have a serious mental illness and significant functional impairment and be at risk of psychiatric hospitalization. These individuals do not require care in a locked treatment setting but may require an intensive level of support. Clients may also be stepping down from a locked treatment program and require an intensive level of support. Admissions to the CRT may also include persons with short-term mental health disorders who are at imminent risk of psychiatric hospitalization. Clients receive services on a voluntary basis or as authorized by a court appointed conservator. The Agreement with Jackson House is funded by Short Doyle Medi-Cal Federal Financial Participation (SD/MC FFP) and Proposition 63 Mental Health Services Act (MHSA) funds.</p>
