### Zoom Participation Information - continued

**Please note the following important information related to supporting your participation in the upcoming meeting:**

1. The meeting will be recorded.
2. Participation is available in **Spanish** via simultaneous translation (use **globe icon**).
3. All participants are muted upon entry to minimize any unintended disruption from background sounds.
4. Zoom meetings will initially start with attendees being admitted to a **“waiting room.”** At the start of the meeting, attendees will be “admitted” by a host into the meeting.
5. During opportunities for offering comments about items on the agenda, participants will be unmuted and welcome to comment for up to 3 minutes. Comments can be offered in the following ways:
  - a. If you have joined the meeting via video/audio, your name can be added to the comment queue by clicking on the participant window at the bottom of the zoom screen and then clicking on the **“raise hand”** feature at the bottom of the participant window. Alternately, at the bottom of the main screen is an option labeled "Reactions." After clicking, a menu will open revealing a "raise hand" option to select.
  - b. If you are joining the meeting by telephone only, you can join the comment queue by pressing **\*9**. When it is your turn to speak, please unmute yourself by pressing **\*6**.
6. Comments will be taken in the order they are received and each speaker is allotted up to 3 minutes at a time. After three minutes of sharing, the speaker will be notified that the time has ended, will be able to make a closing comment, and then the mic will be passed to the next person in the queue. Speakers can comment again after others have had a chance to share their thoughts and perspectives.
7. Following changes in the policy at General BHAB meetings, there will no longer be a 5-minute maximum comment limitation on any participant.
8. Your active participation in this process is strongly encouraged and valued. Thank You!
